

Who We Are

Community Action of Allegan County is a private, 501(c)(3) non-profit organization that has been helping people, improving lives and strengthening communities since 1965. Our overall mission is to serve, advocate, and engage individuals, families and communities to overcome the effects of poverty and encourage self-reliance.

For over 50 years, Community Action has made a large impact in the lives of thousands of people. Our programs are designed to help children, families, older Americans and pregnant mothers. Residents of Allegan County can call upon us for food assistance, emergency utility help, children's Head Start programs, meal programs for seniors and weatherizing of homes.

Emergency Food Assistance Program (TEFAP)

Helps supplement the diets of families and individuals experiencing income challenges by providing emergency food and nutrition assistance at no cost. Assistance is provided every 3 months to eligible households.

Crisis Utility Assistance Program

Assists income eligible households by providing payment of metered and deliverable fuel costs in order to support health, wellness and financial stability.

Early Education Services

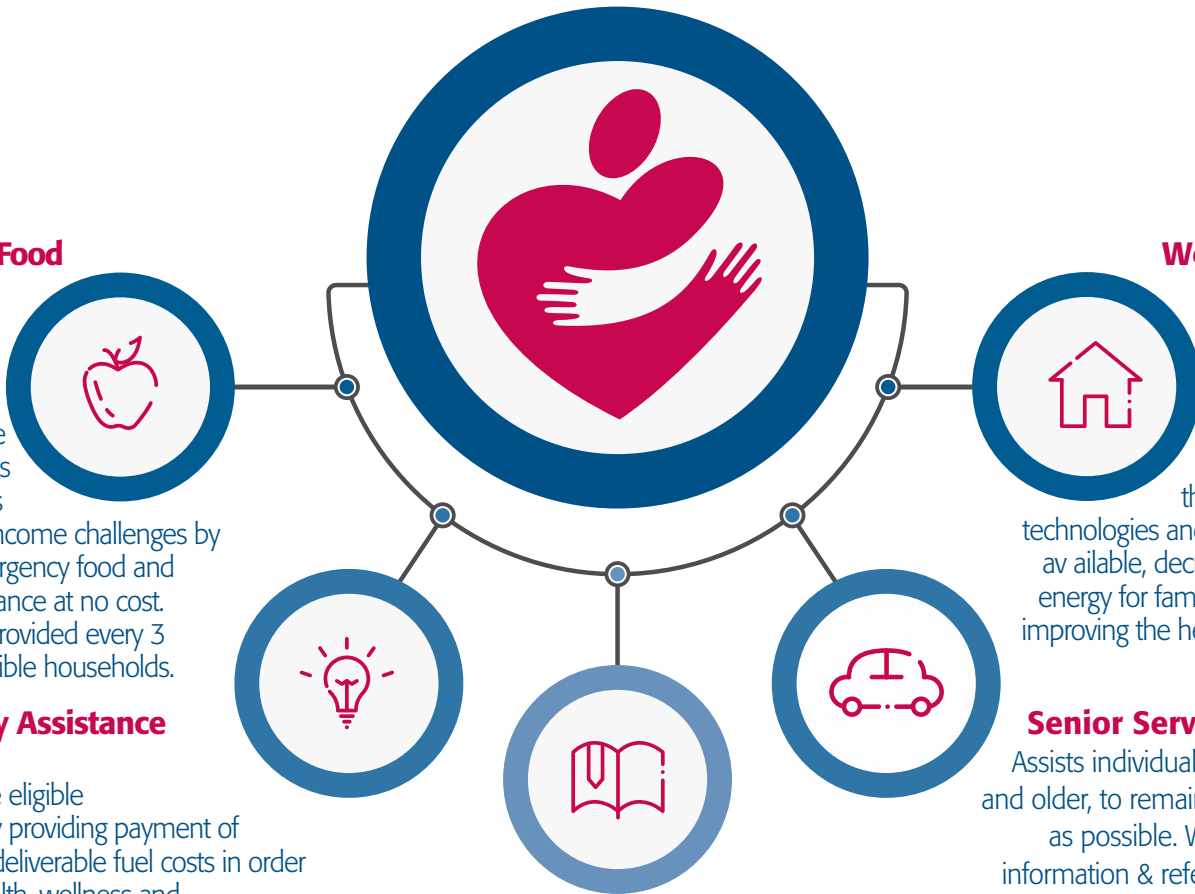

Supports the mental, social, physical & emotional development of children. Educational services are combined with child development screenings, medical/dental services, special needs assistance, family support services, and parent involvement opportunities, all responsive to family ethnic and cultural heritage. Programs support positive parent-child relationships, family well-being and peer connections in the community.

Weatherization Assistance Program

Assists income eligible households to invest in energy efficiency, using the most advanced technologies and testing protocols available, decreasing the cost of energy for families in need while improving the health and safety of their home.

Senior Services Program

Assists individuals 60 years of age and older, to remain as independent as possible. With our outreach, information & referral program, our staff help arrange assistance for basic needs. Programs include home delivered meals, Project Fresh, Commodity Supplemental Food Program and Transportation Assistance.

Helping People.
